OF OREGON**

OREGON,

General Capacity Investigation.

RULING

DISPOSITION: PETITIONS TO INTERVENE GRANTED

The Commission has received petitions to intervene in this docket from the Renewable Energy Coalition, Idaho Power Company, Alliance of Western Energy Consumers, Obsidian Renewables, LLC, Northwest and Intermountain Power Producers Coalition, PacifiCorp dba Pacific Power, Portland General Electric Company, and Swan Lake North Hydro, LLC. Additionally, the Commission has received a notice of intervention from the Oregon Citizens' Utility Board.

Upon review of the petitions, I find that the Renewable Energy Coalition, Idaho Power Company, Alliance of Western Energy Consumers, Obsidian Renewables, LLC, Northwest and Intermountain Power Producers Coalition, PacifiCorp dba Pacific Power, Portland General Electric Company, and Swan Lake North Hydro, LLC have sufficient interest in the proceedings to participate and that their participation will not unreasonably broaden the issues, burden the record, or delay the proceedings. The petitions to intervene filed by Renewable Energy Coalition, Idaho Power Company, Alliance of Western Energy Consumers, Obsidian Renewables, LLC, Northwest and Intermountain Power Producers Coalition, PacifiCorp dba Pacific Power, Portland General Electric Company, and Swan Lake North Hydro, LLC are therefore granted.

Dated this 7th day of October, 2020 at Salem, Oregon.
