

Program Administrator's Project Recommendation

November 16, 2022

Community Solar Program - Docket No. UM 1930

On January 11, 2022, in Order No. 22-007, the Commission permitted the delegation of Commission authority to the Community Solar Program Administrator (PA) to grant noncontroversial project pre-certifications, waivers, extensions, and amendments. Under the permitted delegation of authority, Staff will post the PA's project recommendation to UM 1930 with a comment period of two weeks. If no comments in opposition are received prior to the end of the comment period, the recommendation will go into effect. If comments in opposition are received prior to the end of the comment period, the recommendation will not go into effect and the matter will be referred to the Commission for a decision at the next available public meeting.

Staff posts the PA's recommendation to grant project pre-certification for the following projects:

PP-2021-125 (Blackwell Creek Solar)
PP-2021-121 (Coker Solar)

The PA has reviewed the Project Manager (PM) pre-certification applications for the projects listed above and has recommended granting pre-certification. Staff finds the PA's recommendations to be noncontroversial and that granting pre-certification may be delegated to the PA. Stakeholders in opposition of the PA's recommendation should post comments to UM 1930 by November 30, 2022.

To Submit Public Comment:

Stakeholders can submit written comments on the PA's recommendation by email to puc.filingcenter@puc.oregon.gov. Please email puc.hearings@puc.oregon.gov to be added to the UM 1930 docket service list and receive notifications in the UM 1930 docket.

Project Pre-certification Review and Recommendation

The Oregon Community Solar Program Administrator (PA) has reviewed the pre-certification request of the project described below and recommends that the project be pre-certified.

Project Information

Project ID: PP-2021-125

Project Name: Blackwell Creek Solar

Project Manager: Blackwell Creek PM, LLC

Subscription Manager: Oregon Shines

Utility Service Area: PAC

Project Site Address: 42°25'14.9"N, 123°00'29.9"W

Project Size (kW-AC): 1,350

Carveout-eligible: No

Project Description

Blackwell Creek Solar is a 1,350 kW-AC project located in Central Point, Oregon in Jackson County. Blackwell Creek Solar was allocated capacity from the waitlist after a pre-certified project was canceled. The project manager entity is controlled by TLS Capital, which currently manages 9 projects in the program. Outreach and customer management for the project has been conducted through Oregon Shines, an entity formed by several ORCSP project managers to conduct customer management in the community solar program.

Review Summary

Date Review Completed: 11/7/2022

Project Satisfies all Pre-certification Requirements?: Yes

PA Recommendation: Approve

Review Notes

No special comments.
