

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1930

In the Matter of

PUBLIC UTILITY COMMISSION OF  
OREGON,

Community Solar Program  
Implementation.

RULING

**DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR LIMITED  
PURPOSES**

The Commission has received petitions to intervene in this docket from Northwest and Intermountain Power Producers Coalition (NIPPC), and Renewable Energy Coalition (the Coalition).

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, to the extent that obtaining party status may facilitate receiving copies of filings made by others, and to be eligible to sign a protective order to obtain access to confidential information, such petitions will be acknowledged. For those reasons, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petitions to intervene filed by NIPPC, and the Coalition are granted for the limited purposes described above.

Dated this 10<sup>th</sup> day of December, 2019, at Salem, Oregon.
