Subject: AR 629 DISPUTE RESOLUTION FOR PURPA CONTRACTS - STRAW
PROPOSAL

Good afternoon everyone,

I've been working on the straw proposal for review – but have received a couple of comments the last two days, including one from a newly participating stakeholder.

I'll need slightly more time for consideration and response before getting the strawman out – which I will send to you all on Thursday. The remainder of our schedule will remain in place.

I recommend that you hold any more comments until after you see the proposal – it will probably be a more valuable use of your time to make points in the context that document.

Thank you – please let me know if you have any questions –

Just a reminder on our schedule:

Original Date	Event
1/9/2019	Straw proposal circulated to stakeholders
1/23/2020	Comments on Straw proposal requested
1/30/2020	Second workshop
2/11/2020	Draft rules circulated
2/28/2020	Redlines to draft rules requested
3/6/2020	Third and final workshop
3/20/2020	Final informal draft rules circulated
4/7/2020	Rules put before Commission at public meeting to open formal phase
