vs.

PORTLAND GENERAL ELECTRIC  
COMPANY,

Pursuant to ORS 756.500.

**PREHEARING CONFERENCE  
MEMORANDUM**

On March 13, 2018, the Public Utility Commission of Oregon held a prehearing conference by telephone in this docket. Appearances were recorded for the Sandy River Solar, LLC, Portland General Electric Company, and the Renewable Energy Coalition.

The purpose of the conference was to discuss outstanding motions and related schedule effects. Schedule changes were adopted to proceed in the short term, with no changes yet made to the long term schedule. The procedural schedule is, as follows:

<b>EVENT</b>	<b>DATE</b>
PGE responds to Sandy River's 6th set of data requests	March 15, 2019
PGE Response Testimony	March 21, 2019
PGE responds to Sandy River's Motion to Compel	March 22, 2019
Sandy River responds to PGE's Motion for Partial Summary Judgment	March 25, 2019
Sandy River Reply Testimony	April 11, 2019
Parties Pre-Hearing Briefs	May 2, 2019
Parties Cross-Examination Statements	May 6, 2019
Evidentiary Hearing (Details TBD)	May 9, 2019
Sandy Point Opening Brief	May 30, 2019
PGE Response Brief	June 20, 2019
Sandy River Solar Reply Brief	July 2, 2019
Commission decision requested	July 31, 2019

PGE's motion to stay discovery and the procedural schedule is still pending but I indicated that a ruling will soon be issued, certainly before the due date for PGE's Response Testimony. PGE should continue to work on its Response Testimony in the interim.

Dated this 13<sup>th</sup> day of March, 2019, at Salem, Oregon.
