Subject: AR 629 DISPUTE RESOLUTION FOR PURPA CONTRACTS - IMPORTANT UPDATE
Attachments: AR 629 ADR INFORMAL DRAFT V2 3-4-20 - FINAL.docx

Good afternoon everyone –

I am pulling AR 629 from next Tuesday's agenda.

I would like to schedule an in person workshop to review current draft rules, attached. I would also like to review our overall plan for this docket and ensure all stakeholders have a common understanding of planned steps.

Tentatively, I plan to request proposed redlines of the attached draft, at a date TBD once the workshop is set.

Please send me your availability for the following potential workshop dates:

Wednesday March 26th, Morning or afternoon

Thursday March 27th, Morning or Afternoon

Friday March 28th, Morning

I will send a short agenda with the workshop date, time and location. Feel free to contact me with any issues, concerns, or questions.
