UM 2111 Interconnection Modernization Workshop – Schedule Update

This letter announces an additional workshop in UM 2111. A workshop will be held on June 9 from 9:00 am – 12:00. The workshop will go over any changes to Staff’s Draft proposal, as well as any other items identified for discussion in the interim.

Following receipt of comments from Stakeholders, Staff will look to make any needed changes to its draft proposal as presented in the March 15 and 28 workshops for Division 82 and Division 39, respectively. This updated draft will be sent prior to the June 9 workshop. Following the workshop Staff will make any additional changes and prepare recommendations to present at a Public Meeting. Staff has penciled in July 11, 2023 for the recommendation to the Commission, but this date could change, depending on upcoming events. The current schedule for phase one of the investigation is shown below.

Schedule
