RE: UM 1930 PGE Community Solar Program Purchase Agreement

Portland General Electric Company (PGE) submitted proposed changes to PGE's Community Solar Program Purchase Agreement on January 25, 2021 with a requested effective date of February 24, 2021.

PGE and OPUC Staff had agreed on the clarifying language submitted on January 25, 2021, however, parties had comments and therefore, Staff requested additional time to review and asked that PGE extend the effective date from February 24, 2021 to March 24, 2021. On March 22, 2021, PGE then requested an effective date of April 21, 2021 at the request of Staff for additional review time. PGE is now requesting an effective date of June 2, 2021 at the request of Staff for additional review time.

Please direct questions or comments regarding this filing to Santiago Beltran Laborde, (503) 464-7902. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pge.com
