Subject: RE: Docket Number AR 631- schedule change proposal

AR 631 Parties,

Thank you for your participation in the workshop on Monday. Staff appreciates the thoughtful input. We are planning to circulate a revised version of the draft rules, including some revisions in response to comments on the level of detail, Monday. We will adjust the comment timeline accordingly—see below.

We do not plan to change the Public Meeting date as Staff's direction remains to get these issues in front of the Commission without further delay. We want to remind parties that the August 24th Public Meeting is only the start of the formal rulemaking process and not the final opportunity to engage in the rulemaking.

Current Schedule	Proposed Schedule	Activity
--	8/2/2021	Draft Rules: Staff circulates revised draft rules
8/4/2021	8/12/2021	Comments: Opportunity to submit written comments on draft rules/terms.
8/24/21	8/24/2021	Public Meeting to move to formal phase – Staff memos post for this PM post on 8/19.

Best,

Caroline Moore (*she/her*)
