

Program Administrator's Project Recommendation

September 12, 2023

Community Solar Program - Docket No. UM 1930

On January 11, 2022, in Order No. 22-007, the Commission permitted the delegation of Commission authority to the Community Solar Program Administrator (PA) to grant noncontroversial project pre-certifications, waivers, extensions, and amendments. Under the permitted delegation of authority, Staff will post the PA's project recommendation to UM 1930 with a comment period of two weeks. If no comments in opposition are received prior to the end of the comment period, the recommendation will go into effect. If comments in opposition are received prior to the end of the comment period, the recommendation will not go into effect and the matter will be referred to the Commission for a decision at the next available public meeting.

Staff posts the PA's recommendation to transfer the following project from the current Project Manager, Solar Town, to the following project-specific LLC:

PGE-2020-16 (Manchester Solar) – transfer to Manchester Solar LLC

The PA has reviewed the Project Manager's transfer request for the project listed above and has recommended granting the transfers. Staff finds the PA's recommendation to be noncontroversial and that granting the transfer may be delegated to the PA. Stakeholders in opposition of the PA's recommendation should post comments to UM 1930 by September 26, 2023.

To Submit Public Comment:

Stakeholders can submit written comments on the PA's recommendation by email to puc.filingcenter@puc.oregon.gov. Please email puc.hearings@puc.oregon.gov to be added to the UM 1930 docket service list and receive notifications in the UM 1930 docket.

Project Amendment Review and Recommendation

The Oregon Community Solar Program Administrator (PA) has reviewed the amendment request of the project described below and recommends that the project be transferred to Manchester Solar LLC.

Project Information

Project ID: PGE-2020-16

Project Name: Manchester Solar

Project Manager: Solar Town

Subscription Manager: Solar Town

Utility Service Area: PGE

Project Site Address: 18100 SE Neck Rd, Dayton, OR

Project Size (kW-AC): 1,800

Carveout-eligible: No

Current Program Status and Date Achieved: Pre-certified, 7/1/2020

Project Description

Manchester Solar is an 1,800 kW-AC project located in Dayton, Oregon, in Yamhill County. Solar Town has not contracted with a Subscription Manager.

Review Summary

Date Review Completed: 09/01/2023

Nature of the Amendment Request: Project Manager transfer

PA Recommendation: Approve

Review Notes

The project is in good standing and the PA recommends granting this amendment request to transfer Manchester Solar project to Manchester Solar LLC. Manchester Solar LLC is controlled by SPI Inc.

Re: Notice of Project Ownership Transfer

Oregon Community Solar Program Administrator:

On behalf of SPI, Inc. ("**SPI**"), the sole member of Solar Town, LLC. This letter provides notice of a request transfer of project manager from Solar Town, LLC to the new project manager consistent with the following chart, effective upon eligibility of the new project manager.

Project	Project Manager	New Project Manager
Manchester Solar LLC	Solar Town LLC	Manchester Solar, LLC

We kindly request your guidance and assistance throughout this process to ensure a seamless transition and compliance with all program obligations. We are committed to working closely with the OCSP to ensure a smooth transfer of the Project and their management.

Regards,

Jack Lee
